

MEALS FOR THE COMMUNITY

In this time of crisis we want to support our local communities and those in need.

Therefore, Simon and his chefs have created a selection of nutritious homemade meals to be delivered to your door, to be re-heated and enjoyed in the comfort of diners homes.

These meals are available for only £5.

Simon's team are working closely with our Vicar, The Reverend Nick Devenish in order to identify the vulnerable, to whom they deliver wholesome, freshly prepared meals, free of charge. They can do this by preparing "ready meals" available to locals to order for just £5. This prevents the farm produce going to waste, keeps jobs open, supports other suppliers and subsidises the cost of the free meals service.

If you have a story to tell, someone in need of support, a service to offer to our community, please let us know and we will promote and support you where we can.

In the meantime, we wish you well and hope you and your loved ones remain safe and sound until we might one day meet again in our Priory...the very heart of our village.

Thank you to BBC North West for telling our amazing story.
